DAVY BROWN DISCOVERS HIS ROOTS

Because Everyone has an Immigration Story ...

The American Immigration Council (formerly the American Immigration Law Foundation) is proud to partner with Velani Mynhardt Witthoft and Keely Alexander McCammon, the dynamic founders of KeelyVelani, LLC and authors of the recently-released children's book *Davy Brown Discovers His Roots*.

KeelyVelani, LLC's mission is to provide children's books with a purpose; to teach kids about global and social issues in a fun, novel and effective way. Moreover, KeelyVelani, LLC is dedicated to impacting positive change. To that end, a portion of the proceeds from every book sold will be donated to a like-minded organization that is working to make a difference, such as the Council.

An exciting initiative designed by the Council involves securing sponsors to purchase a copy of the book which will then be sent to a classroom or library in a "hotspot" region of the immigration debate. Along with Southern Poverty Law Center, the Council has put together a list of "hotspot" communities who will get a copy of the book. The Council is an IRS designated 501 (c)(3) non-profit, educational, charitable organization, and all contributions are tax-deductible as allowed by law.

Order your book today! Purchase extra copies to keep at your practice or to give as gifts to clients and colleagues. Sponsor a copy and we will make sure it gets into the hands of a teacher or librarian in a "hotspot" location who will share it with hundreds of young people for years to come.
